PER CURIAM:

Tracy Canty appeals the district court's orders granting Universal North America Insurance Company's motion for judgment on the pleadings and denying Canty's motion to amend. We have reviewed the record and find no reversible error. Accordingly, we affirm the district court's orders. *See Universal N. Am. Ins. Co. v. Canty*, No. 4:19-cv-01285-DCC (D.S.C. Aug. 3, 2020; April 5, 2021). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
